Street hustler comes up to me one day  
And I'm walkin' down the street, mindin' my own  
business  
Now he looks me up and he looks me down and says  
"Hey man, what be this" and "What be that" and "Why  
you gotta look like that?"  
Well I just looked at him, I kinda laughed, I said  
Hey man, I am cool, I am the Breeze

Haven't you heard, there's a new revolution  
Gotta spread the word - too much confusion

All hell's breakin' loose - hey hey have you read the  
news  
All hell's breakin' loose - overloadin' 'n' blowin' my fuse  
All hell's breakin' loose - day and night, baby, night and  
day  
All hell's breakin' loose - in the streets there's a brand  
new way, yeah

You know we ain't always winners, but this is the life we  
choose  
And we won't change or rearrange, and we ain't never  
ever gonna lose  
It ain't always easy when the goin' gets rough  
When you're gettin' even, you gotta show your stuff -  
tell about it now

Take a look around, only one solution  
Set the world on fire, fight the institution  
Gonna stand our ground, feel the new sensation  
Something's goin' down - rock the nation

All hell's breakin' loose - hey hey, have you read the  
news  
All hell's breakin' loose - overloadin' 'n' blowin' my fuse  
All hell's breakin' loose - day and night, baby, night and  
day  
All hell's breakin' loose - ah, take it

Haven't you heard, only one solution

Gotta spread the word - you gotta tell it to the people  
now  
Take a look around, feel the new sensation  
Set the world on fire - rock the nation

All hell's breakin' loose, all hell's breakin' loose  
All hell's breakin' loose - baby baby baby baby whoo

All hell's breakin' loose - hey, hey, have you read the  
news  
All hell's breakin' loose - overloadin' 'n blowin' my fuse  
All hell's breakin' loose - day and night, baby, night and  
day  
All hell's breakin' loose - in the streets you can hear  
them say  
All hell's breakin' loose - hey, hey, have you read the  
news  
All hell's breakin' loose - overloadin' 'n blowin' my fuse  
All hell's breakin' loose - day and night, baby, night and  
day  
All hell's breakin' loose - in the streets you can hear  
them say
