I'm almost human, can't help feelin' strange
The moon is out, I think I'm gonna change
You're so smooth and tender, a living, breathing
dream
I've got to have you, baby, I'm listenin' for your scream

(I'm almost human)
I'm almost a man
(I'm almost human)

I'm almost human, baby, please don't run away
'Cause wherever you run, I'll be a scream away

I'm very hungry and you're what I'm thinkin' of
Ooh baby, baby, baby, so hungry for your love

(I'm almost human)
Almost a man, yeah
(I'm almost human)
I'm very hungry and you're what I'm thinkin' of
Ooh baby, baby, baby, so hungry for your love

(I'm almost human)
I'm almost a man, yeah
(I'm almost human)
I'm almost human

(I'm almost human)
I'm almost human, yeah
(I'm almost human)
I'm almost, almost, almost a man

(I'm almost human)
Almost, almost, almost
Almost, almost, almost human
(I'm almost human)

I'm almost human
Almost human
(I'm almost human)
