My love is like a cannonball, I'm takin' aim and you're gonna fall
Don't hide or try to get away, you know the rules and you're gonna play

And we go one, two, three, four, when midnight comes,
I'll be at your door
Five, six, seven, eight, oh, oh, I just can't wait
I'm gonna bang, bang you - I'll shoot you down with my love gun, baby
Bang, bang you - I got you in the heart, you're gonna be mine, yeah

Hands up, reach for the sky, I'll treat you good, 'cause I'm a bad guy
If love's a crime I've got a hundred schemes
I'll be the villain in your book of dreams

And we go one, two, three, four, when midnight comes,
I'll be at your door
Five, six, seven, eight, oh, oh, I just can't wait
I'm gonna bang, bang you - I'll shoot you down with my love gun, baby
Bang, bang you - I got you in the heart, you're gonna be mine, yeah

(You know what I'm talking about. Ooh, come on!)

Listen!
And we go one, two, three, four, when midnight comes,
I'll be at your door
Five, six, seven, eight, oh, oh, I just can't wait
I'm gonna bang, bang you - I'll shoot you down with my love gun, baby
Bang, bang you - I got you in the heart, you're gonna be mine, yeah

Bang, bang you, I'll shoot you down with my love gun, baby
Bang, bang you, I got you in the heart, you're gonna be mine, yeah

Bang, bang you, I'll shoot you down with my love gun,
baby
Bang, bang you, I got you in the heart, you're gonna be
mine, yeah
Bang, bang you, I'll shoot you down with my love gun,
baby
Bang, bang you, I got you in the heart, you're gonna be
mine, yeah
