I just can't understand the ways
Of all the men and their mistakes
You give them all your heart
And then they rip it all away

You told me how much you loved me
And how our love was meant to be
And I believed in you
I thought that you would set me free

(REFRAIN):
You should've just told me the truth
That I wasn't the girl for you
Still, I didn't have a clue
So my heart depended on you, whoa

(CHORUS):
Although I'll say I hate you now
Though I'll shout and curse you out
I'll always have love for you
Because I am a girl

Been told a man will leave you cold
Get sick of you and bored
I know that it's no lie
I gave my all, still I just cry

Never again will I be fooled
To give my all when nothing's true
I won't be played again
But I will fall in love again

(REFRAIN)

(CHORUS)

Been told a man will leave you cold
Get sick of you and bored
I know that it's no lie
I gave my all, still I just cry

Never again will I be fooled

To give my all when nothing's true
I won't be played again
But I will fall in love again

You took advantage of my willingness
To do anything for love
Now I'm the only one in pain
Will you please take it all away

Never thought being born a girl
How I can love you and be burned
And now I will build a wall
To never get torn again

(CHORUS) [2x]
