You pay your taxes, you pay the rent  
Till you haven't got a cent  
It's the law of the jungle, if you got the hunger  
What doesn't kill you makes you stronger

Just hold on to what you got  
(Hold on, hold on)  
Just live it to the last drop  
You can't help it, you just can't stop

Betrayed  
Yeah, life's a bitch, so just don't feel  
Betrayed  
No, you ain't the only one who's been  
Betrayed, betrayed  
Betrayed

Stone cold and all alone  
And you're wearin' everything you own  
They bare your flesh and strip your soul  
But underneath you got a heart of gold

Just hold on to what you got  
(Hold on, hold on)

Betrayed  
Yeah you ain't satisfied, I know you feel  
Betrayed  
Yeah, you ain't crucified, so just get real  
Betrayed, betrayed  
Betrayed, yeah

All alone, far from home  
And you're feelin' cold as stone  
Don't give up, don't give in  
Life's a bitch and if you lose or win

Betrayed  
Yeah, you ain't the only one who's been  
Betrayed  
Life's a bitch, if you lose or win  
Betrayed, betrayed

Betrayed

Betrayed, betrayed

Betrayed

Betrayed, betrayed

Betrayed

Betrayed, betrayed

Betrayed
