Out on the street for a living
Picture's only begun
Got you under their thumb
Hit it

Out on the streets for a living
Picture's only begun
Your day is sorrow and madness
Got you under their thumb

Whoo, black diamond
Whoo, black diamond

Darkness will fall on the city
It seems to follow you too
And though you don't ask for pity

There's nothin' that you can do, no

Whoo, black diamond
Whoo, black diamond

Out on the streets for a living
Picture's only begun
Your day is sorrow and madness
Got you under their thumb

Whoo, black diamond, yeah
Whoo, black diamond
