When I was seventeen  
Found out just what it means  
If you can get it free  
It just ain't worth a damn

When I heard the preacher say  
?Don't throw your life away?  
And I got that message  
And I wrote it on the wall

Well, I don't want anybody tellin' me lies  
No, I don't want your diamond ring  
'Cause you ain't got my size

I want money, money, that's what I need  
I got Cadillac dreams  
Please, Mister, don'tcha take it from me  
Give me money, money, more than I need  
I got Cadillac dreams waitin' on me  
Cadillac dreams, Cadillac dreams

When I had the young boy blues  
I paid some young boy dues  
I learned the hard way  
There's a heartbreak every day

Stone cold reality  
Came crashing down on me  
Well, life was hard on me  
But I still don't give a damn

When I was seventeen  
I was an angry young man  
But I won't let just anybody  
Tell me who I am

Just want money, money, that's all I need  
I got Cadillac dreams  
Hey, Mister, don'tcha take it from me  
Give me money, money, more than I need  
These Cadillac dreams are waitin' on me

Didn't have the time of day  
'Til this dream was born  
You can't take that away  
You can't take that away from me

When I was seventeen  
There was this beauty queen  
Checked in a one room suite  
The back seat of my car

When you want all the best things  
Money can buy  
You gotta reach down inside of you  
To reach up to the sky

Yeah, I want money, money, that's all I need  
I got Cadillac dreams  
Hey, Mister, you can't take that from me  
I want money, money, more than I need  
I got Cadillac dreams waitin' on me

Money, money, that's what I need  
We're drivin' in my Chevy with my Cadillac dreams  
Someday, one day, just you and me  
We'll ride inside these Cadillac dreams

Cadillac dreams, hey, hey, hey  
That's right, hey, hey  
It's Cadillac dreams waitin' on me  
Hey, hey, hey
