Close your eyes and take a look at your life
Do you like what you see?
My eyes are open but I feel like I'm blind
It's all returned to me I want to know
Does a frozen river flow
Things we said
Fill my head
Lying in a cold and empty bed

I'm only dreamin'
Between the darkness and the light
I'm only dreamin, uh huh dreamin'
Can't tell the daylight from the night
I'm only dreamin', dreamin'

I feel the sunlight shining down on my face
Not a cloud in my mind
I get my wake up
But it never comes in time
My prayers are spoken
And I wait to receive
'cos there's a fine line between the truth

And how we want it to be

I'm only dreamin'
Between the darkness and the light
I'm only dreamin, uh huh dreamin'
Can't tell the daylight from the night
I'm only dreamin', dreamin'

I'm sailing like a ship on the sea
I don't care if I'm lost in the haze
I hear the angels singing softly to me
Time's the enemy that you never see
Won't you come and slip away

I'm only dreamin', I'm only dreamin', I'm only dreamin'
Yeah
I'm only dreamin', I'm only dreamin', I'm only dreamin'
Yeah
I'm only dreamin', dreamin'
