Tryin' to say I'm sorry, didn't mean to break your heart  
And find you waitin' up by the light of day

There's a lot I want to tell you, but I don't know where to start  
And I don't know what I'd do if you walked away

Ooh, baby I tried to make it, I just got lost along the way

Chorus:

But every time I look at you, no matter what I'm goin'  
thru, it's easy to see  
And every time I hold you, the things I never told you,  
seem to come easily  
'Cause you're everything to me

I never really wanted to let you get inside my heart  
I wanted to believe this would soon be ending  
I thought it wouldn't matter, if it all just came apart  
But now I realize I was just pretending

Ooh, baby, I know I hurt you, but you can still believe in me

chorus

It's gonna take a little time to show you, just what you  
mean to me, oh yeah  
It seems the more I get to know you, the more I need to  
make you see  
You're everything I need, yeah

(Instrumental break)

Oho, I need ya, I need ya, I need ya...

Ooh, baby, baby, baby, I know I hurt you, but you can  
still believe in me

chorus

You're everything to me, you're everything to me
