Woo yea

My parents think I'm crazy and they hate the things I do
I'm stupid and I'm lazy, man, if they only knew
How flaming youth will set the world on fire
Flaming youth, our flag is flying higher and higher and
higher

My uniform is leather and my power is my age
I'm gettin' it together to break out of my cage
'Cause flamin' youth will set the world on fire
Flaming youth will set the world on fire
Flaming youth, our flag is flying higher and higher and
higher

Flamin' youth will set the world on fire
Flamin' youth will set the world on fire
Flamin' youth will set the world on fire
Flaming youth will set the world on fire
Flaming youth will set the world on fire
Flaming youth, our flag is flying higher and higher and
higher and higher
And higher and higher and higher
