God gave rock and roll to you, gave rock and roll to you
Put it in the soul of everyone

Do you know what you want? You don't know for sure
You don't feel right, you can't find a cure
And you're gettin' less than what you're lookin' for

You don't have money or a fancy car
And you're tired of wishin' on a falling star
You gotta put your faith in a loud guitar

Chorus:

God gave rock and roll to you, gave rock and roll to you
Gave rock and roll to everyone (oh yeah)
God gave rock and roll to you, gave rock and roll to you
Put it in the soul of everyone

"Now listen"

If you wanna be a singer, or play guitar
Man, you gotta sweat or you won't get far
Cause it's never too late to work nine-to-five

You can take a stand, or you can compromise
You can work real hard or just fantasize
But you don't start livin' till you realize - "I gotta tell ya!"

God gave rock and roll to you, gave rock and roll to you
Gave rock and roll to everyone
God gave rock and roll to you, gave rock and roll to you
Put it in the soul

(Instrumental break)

God gave rock and roll to you (to everyone he gave the
song to be sung)
Gave rock and roll to you, gave rock and roll to
everyone

God gave rock and roll to you (to everyone he gave the
song to be sung)
Gave rock and roll to you, saved rock and roll for
everyone
Saved rock and roll

chorus repeats out...

"I know life sometimes can get tough! And I know life
sometimes can be a
drag!
But people, we have been given a gift, we have been
given a road
And that road's name is... Rock and Roll!"
