Baby, you know I heard the neighbors say  
Baby, you might be leavin' me today  
Oh yeah, ooh  
Someone's come along, shared your time  
Don't care, no I don't, no  
But you can't be his and still be mine  
So

Ooh, got to choose, who's your baby  
Ooh, got to choose

Sometimes, oh sometimes  
I know you need a change of pace  
Oh yeah, but I ain't gonna run no race  
Baby, you've got to tell me yes or no  
Alright, come on and tell me  
Alright  
Tell me that you gonna go  
Come on

Ooh, got to choose, who's your baby  
Ooh, got to choose, who's your baby

Ooh, got to choose, who's your baby  
Ooh, got to choose  
Got to choose

Who's your baby  
Who's your baby  
Who's your baby  
Who's your baby

{Oh yeah, alright}
