I look at you and my blood boils hot
I feel my temperature rise
I want it all, give me what you got
There's hunger in your eyes

I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave

Feel my heat takin' you higher
Burn with me, heaven's on fire
Paint the sky with desire
Angel fly, heaven's on fire

I got a fever ragin' in my heart
You make me shiver and shake
Baby don't stop, take it to the top
And eat it like a piece of cake

You're comin' closer, I can hear you breathe
You drive me crazy when you start to tease
You could bring the Devil to his knees

Feel my heat takin' you higher
Burn with me, heaven's on fire
Paint the sky with desire
Angel fly, heaven's on fire
Heaven's on fire, heaven's on fire

I'm getting closer, baby hear me breathe
You know the way to give me what I need
Just let me love you and you'll never leave

Feel my heat takin' you higher
Burn with me, heaven's on fire
Paint the sky with desire
Angel fly, heaven's on fire

Feel my heat takin' you higher
Burn with me, heaven's on fire
Paint the sky with desire
Angel fly, heaven's on fire

Feel my heat takin' you higher
Burn with me, heaven's on fire
Paint the sky with desire
Angel fly, heaven's on fire
