I rode the highway to heartache
I took a trip on the ship of fools, woah yeah!
And I paid the price to have my way
'Cause money makes the rules, yeaah!

Sing it!
Lay down!
I'm looking through ya'
Stay down!
You got what you should
Pay now!
All that you never would, it feels good!

Hell or hallelujah!
No matter what you do, I'm running through ya'
Yeaah!

You said that love's never lasting
We surrender our hearts to lose, yeaah
Times up there's nobody askin'
This time I get to choose!

Let me hear ya!
Lay down!
Don't say that you're sorry
Stay down!
I knew that you would
Pay now!
Don't say you're misunderstood, it feels good

Hell or hallelujah!
No matter what you do, I'm running through ya'
One more time!
Hell or hallelujah!
C'mon c'mon
The rest is up to you
It's overdue, yeah

Listen!
One heart is breakin'
One chance I'm takin'
No lies, no fakin'

Goodbye, feels like it should!
It feels good!

(Solo)
Oh yeaaaah!

Hey, one heart is breakin'
One chance I'm takin'
No lies, no fakin'
Goodbye, feels like it should!

Yeaaaah, let me tell ya' how it feels... it feels good!

Hell or hallelujah!
No matter what you do, I'm running through ya'
C'mon c'mon
Hell or hallelujah!
The rest is up to you
It's overdue, yeaaaah!
