Lookin' back yeah I feel alright
Gettin' more than my expectations
Yeah my future looks clear and bright and I'm
Livin' up to my reputation
Yeah I'm satisfied
Yeah until the day I die

I gave my blood and I gave my soul
I stood my ground and I took control
The legend's growin' as the story's told
I pledge allegiance to the state of Rock'n Roll

I've been a rebel for all my life
I never cared about regulations
I only went for the things I liked
And my guitar was my inspiration
Yeah we pay a price
Yeah I made the sacrifice

I gave my blood and I gave my soul
I stood my ground and I took control
The legend's growin' as the story's told
I know that heaven's gotta wait
I pledge allegiance to the state of Rock'n Roll
Yeah I'm satisfied
Yeah until the day I die

I gave my blood and I gave my soul
I stood my ground and I took control
The legend's growin' as the story's told
I know that heaven's gotta wait
I gave my blood and I gave my soul
I stood my ground and I took control
The legend's growin' as the story's told
I know that heaven's gotta wait
I pledge allegiance to the state of Rock'n Roll
