I look deep inside of me
There's a place but it's not plain to see
I belong where no one else can be

Searching for myself again
Here I'm all alone and when
I close my eyes -- no one else can see

[Chorus]
I Walk Alone, can't you see
I don't belong, let me be
Everything I dreamed of being -- is me
And I got myself to lean on,
Got both my feet on the ground

And you don't know me,
I don't know me
I can't see you ,
You can't see me
Close my eyes and leave the world behind.

So I got no heart, got no home
Got no somewhere I belong
I don't know if everything is just fine

[Chorus]
I Walk Alone, can't you see
I don't belong, let me be
Everything I dreamed of being
And I don't belong, can't you see
I Walk Alone, let me be
Everything I dreamed of being -- is me
And I got myself to lean on,
Got both my feet on the ground

[Solo 1]
So I got no heart and I got no home
And I got no somewhere I belong
I don't know if -- everything is just.....

[Solo 2]
And I got myself to lean on,

Got both my feet on the ground
And I got myself to lean on,
Got both my feet on the ground

[Bridge]

And I look deep inside of me
There's a place but it's not plain to see
Where I belong where no one else can be

And I'm searching for myself again
And here I'm all alone and when
I close my eyes and no one else can see

[Solo 3]
