I know just where you come from
Where all your yesterdays are gone
And now you're done
But you've only just begun
It's time you opened up the door

And now it's all very clear
This is a journey of 1.000 years

Can you feel it coming?
Can you hear the sound?
Can you feel it coming?
Or is it the roar of the crowd?

Can you feel it coming?
Can you hear it?
Or is it the roar of the crowd?

Did you sleep without dreams?
Did you fly without wings?
Did you touch without feel?
Where nothing is real?
Did you feel it coming?
Did you hear it?
Or was it the roar of the crowd?
