Look what you're doing, I'm losing my mind
My head's in a ruin, leaving me behind
It hurts to believe you could treat me so cruel
Pick me up, put me down, make me look like a fool

Keep me waiting
Keep me waiting
Keep me waiting
Keep me waiting

Look what you're doing, I'm losing this time
I thought you were true and I see I was blind
It hurts to believe you could treat me so cruel
Pick me up, put me down, make me look like a fool

Keep me waiting
Keep me waiting
Keep me waiting
Keep me waiting

It doesn't matter what you do or say
I know goodbye is coming any day
It doesn't matter what you do or say
I know goodbye is coming any day
It doesn't matter what you do or say
I know goodbye is coming any day

Keep me waiting
Keep me waiting
Keep me waiting
Keep me waiting

Keep me waiting, waiting, waiting
Keep me waiting, waiting, waiting
Keep me waiting, waiting, waiting
Keep me waiting, waiting, waiting

Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting, waiting

Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting, waiting
Keep me waiting, waiting, waiting
