Her love is a gun, her love is a blade, she's a killer
Bitch is insane, she deals in pain, she's a killer
Ooh, she'll cut you clean
Then she'll watch you bleed
So obscene, she's what I need
She loves to hear me scream, yeah

Black lace, stiletto heels, she's a killer
Crack the whip, submission trip, she's a killer

Ooh, cat in heat, mistress of deceit
Nerves of steel, her next meal
She's searching for the meat

She's a killer, stone cold killer
Killer, stone cold killer

Watch out for your jugular vein, she's a killer
Animal with a twisted brain, she's a killer

Ooh, she guarantees, you'll suffer with desire
Wicked queen, night machine
She'll make you walk through fire

Killer, run for your life, killer, will she bite
Killer, run for your life, killer, will she bite
Suck your blood tonight

Killer, stone cold killer
She's a killer, stone cold killer
Killer, stone cold killer
She's a killer, stone cold killer

She's a killer, she's a killer, stone cold killer
She's a killer, stone cold killer, she's a killer
