Come on, yeah

I'm gonna climb the mountain  
I'm gonna hit the top  
I wanna go where nobody's ever been  
I'm never gonna stop

I'm gonna reign, I wanna shine  
I wanna hit the ground  
I'm gonna shoot through the night like a shot gun  
I'm gonna get on down, I wanna get on down

I'm the king of the mountain  
I'm the king of the mountain

Listen, don't try to save my soul from destruction  
I'm never gonna fall  
Don't try to give me a piece of the action  
I wanna take it all

All the king's horses, all the king's men  
We're gettin' crazy again and again  
Make up your mind, it's time we get goin'  
We're gonna get on down, we're gonna get on down

I'm the king of the mountain  
I'm the king of the mountain  
I'm the king of the mountain  
I'm the king of the mountain

Yeah, now  
Yeah, king of the mountain  
Say it, king of the mountain  
I'm the king of the mountain

I'm the king of the mountain, yeah yeah  
I'm the king of the mountain  
The winner takes it all  
Let's go, yeah, let's go, yeah, let's go
