You need lovin', you're lookin' out for new romances
Yeah, it's true, you know you've got to take your
chances
When I laugh, well, baby don't you know you can cry
'Cause you ain't enough lady, to keep the master
satisfied, yeah

Well, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
They call me Mr. Speed

Listen, you try pleasin' but gettin' on your knees don't
make it
You try teasin', but baby you can't even fake it
Made it clear but baby you can't even see me
So stop those tears 'cause baby you can't even
deceive, yeah

Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Mr. Speed, look out

I don't care

Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Mr. Speed

Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
Mr. Speed

Yeah, you know, I got the kind of lovin' that you need
The kind of lovin' that you need
I'm so fast, that's why the ladies call me Mr. Speed
