I'm mean and I'm dirty, like none you've ever seen
Bad habits drip like honey, no tongue can lick me clean
I'm not of royal blood, I've never been discreet

Better lock up your daughters, we're comin' to your
town
We're here for the slaughter, kick you when you're
down
Kick you when you're down

We're not for the innocent, we're not for the innocent,
oh
We're not for the innocent, let the beast run wild, yeah

I've been damned, I've been cursed, I've been guilty
and abused
I spit the hangman in his face and hung him on his
noose
Habitual threat, I got you in my claws

Gonna tan your hide, rip the flesh off your bones
Look me in the eye, and you're gonna turn to stone
You're gonna turn to stone

We're not for the innocent, oh we're not for the
innocent
Yeah yeah we're not for the innocent, let the beast run
wild

Better lock up your daughters, we're comin' to your
town
Better pray we're not around

Oh oh oh
Oh oh oh
Yeah yeah yeah
Oh oh oh
Let the beast run wild

We're not for the innocent oh no, we're not for the
innocent, no
We're not for the innocent, let the beast run wild

Oh oh oh
Yeah yeah yeah
Oh oh oh
