Before I had a baby
I didn't care anyway
I thought about the back door
I didn't know what to say

But once I got a baby
I, I tried every way
She didn't wanna do it
But she did anyway

But baby please don't refuse
You know you got nothin' to lose

You got nothin' to lose
You got, got nothin' to lose, well nothin'
You got, got nothin' to lose, yeah baby
You got, got nothin' to lose
You got, got nothin' to lose, you g-g-g-g-got nothin'
You got, got nothin' to lose, well come on mama
You got, got nothin' to lose, yeah shake your
You got, got
You got, you got, you got nothin' to lose

So now I've got a baby
And we've tried every way
You know she wants to do it
And she does anyway

But baby please don't refuse
You know you got nothin' to lose

You got nothin' to lose
You got, got nothin' to lose, yeah baby
You got, got nothin' to lose, yeah
You got, got nothin' to lose, you feel so good
You got, got nothin' to lose, well come on mama
You got, got nothin' to lose, ch-ch-ch-ch-ch yeah
You got, got nothin' to lose, well come on
You got, got
You got, you got you, got nothin' to lose

You got, got nothin' to lose
You got, got nothin' to lose, ooh baby
You got, got nothin' to lose, yeah
You got, got nothin' to lose, yeah
You got, got nothin' to lose, oh you g-g-got, baby
You got, got nothin' to lose, shake it honey
You got, got nothin' to lose, oh you know you're a sweet
thing
You got, got nothin' to lose, oh really mama
You got, got nothin' to lose, yeah you really can move it
You got, got nothin' to lose, oh you g-g-got nothin'
You got, got nothin' to lose,
Yeah shake it, shake it, shake it, shake it
You got, got nothin' to lose
You got, got nothin' to lose
You got, got
