

Kiss "Ozone"

Visit "[Ozone](#)" on MotoLyrics.com

I'm the kind of guy who likes feelin' high
Feelin' high and dry and I really like to fly
I'm your kinda guy, girl, I'm not too shy
And I want you to fly, so I think you oughta try

Ozone, ozone, ozone, ozone

I'm your kinda guy and I'm not too shy
Feelin' high and dry and I want you to be mine
So I think it's time, girl to start feeling fine
Feeling good all the time, so I think you oughta try

Ozone, ozone, ozone, ozone

Now, I'm the kinda guy who likes gettin' high
Gettin' high and dry and I do it all the time
If you think it's a crime and you don't wanna try
Something that'll make you high then I think, I'll say
goodbye

'Cos I'm the kind of guy who likes gettin' high
Gettin' high and dry and I do it all the time
Now I'm much too high, I am high and dry
And I'm feelin' fine
