Who cares, I'm in a trance, I got no hope, I don't stand
a chance

But it's all right, yes it's all right

Who knows, well I don't care, 'cause I don't fit in
anywhere

But it's all right, yes it is all right

Well, I'm numb but that's my style, I've been numb for a
little while

But it's all right, yes it's all right

I checked out yesterday, well there's nothing left to say

But it's all right, yes it's all right

Don't see nothin' in my eyes

Man I've been lobotomized

Cold inside, anesthetized

Life has got me paralyzed

Who says I have to pay? I didn't want this anyway

But it's all right, yes it's all right

Who says life is good? Love thyself, well I never could

But it's all right, yes it is all right

I'm here dressed in black, waiting for a heart attack

But it's all right, yes it's all right

I try to talk, I just can't speak, the urge is strong, but my
brain is weak

And it's all right, yes it's all right

Don't see nothin' in my eyes

Man I've been lobotomized

Cold inside, anesthetized

Life has got me paralyzed

And who say life is good? Love thyself, well I never
could

But it's all right, yes it's all right

I checked out yesterday, well there's nothing left to say

But it's all right, yes it's all right

Don't see nothin' in my eyes

Man I've been lobotomized, I'm paralyzed

Cold inside, anesthetized
Yea, got the feelin' otherwise, I'm paralyzed

Don't see nothin' in my eyes
Man I've been lobotomized, I'm paralyzed
Cold inside, anesthetized
Yea, got the feelin' otherwise, I'm paralyzed
