You're my food, you're my water  
You've got to be the devil's daughter  
Can't get near, can't get far  
You've got the power but know who you are

She's radioactive  
(Radioactive)  
She's very selective  
(Radioactive)  
She's what I need  
She's so pretty indeed  
She wants it all the time

And I'm crazy, kinda hazy  
I'm not sorry, gonna worry  
I'm not lonely, she's my only  
She's got me eatin' out of her hands

She's radioactive  
(Radioactive)  
She's very selective  
(Radioactive)  
She's what I need  
She's so pretty indeed  
I've gotta make her mine

She's radioactive  
(Radioactive)  
She's very selective  
(Radioactive)  
She's what I need  
She's so pretty indeed  
I've gotta make her mine

She's radioactive  
(Radioactive)  
She's very selective  
(Radioactive)  
She's what I need  
She's so pretty indeed  
I've gotta make her mine

She's my little baby  
(Radioactive)  
She's such a lady  
(Radioactive)  
She knows how I feel  
She knows that it's real  
She wants it all the time

She's radioactive  
(Radioactive)  
She's very selective  
(Radioactive)  
She's what I need  
She's so pretty indeed  
I've gotta make her mine

She's my little baby  
(Radioactive)  
She's such a lady  
(Radioactive)  
She knows how I feel  
She knows that it's real  
She wants it all the time
