Now I know, you've been cheatin' and lyin' all the time  
I didn't know, you were gonna be so unkind  
I've been tryin' just to find out how we went wrong  
But I know that I can't trust you girl anymore

Rip it out, take my heart  
You wanted it from the start  
You got it now, so goodbye  
So rip it out, watch me cry

It's so sad, I'm not glad to be with you today  
And it's bad 'cos I can't stop the pain day by day  
If I knew how to stop you, I don't think that I'd try  
I think it's better if we just part and don't say goodbye

Rip it out, take my heart  
You wanted it from the start  
You got it now, so goodbye  
So rip it out, watch me cry

I hope you suffer

Rip it out, take my heart  
You wanted it from the start  
You got it now, so goodbye  
So rip it out, watch me cry

Rip it out, take my heart  
You wanted it from the start  
You got it now, so goodbye  
So rip it out, watch me cry

Rip it out, rip it out  
Rip it out, rip it out  
Rip it out, rip it out
