All that style, all gone to waste
All that beauty
But you never show your face

I'm gonna make my way to you
Knock down your door and walk on through
I'm impatient, times a wastin'
Girl, if you give me an occasion

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise
I'm gonna rise to it

When you're lyin' next to me
Baby, I can guarantee
I'm gonna rise to it

Listen

I'll give you fever, I'll give you chills
Make you a believer
Well, baby, baby, I'm gonna break your will

A little danger, a little fun
We're gonna take 'em one by one
Walk the wire of desire
And if you dare to take it higher

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise
I'm gonna rise to it

When you're lyin' next to me
Baby, I can guarantee
I'm gonna rise to it

Hey, get up, lights, camera, action
It's gettin' time for the show
'Coz tonight you're the main attraction
And if you want a lover who can play the other role

I'm gonna, I'm gonna

I'm gonna rise to it
You know I really can do it
I'm gonna rise, I'm gonna rise
I'm gonna rise to it

When you're lying next to me
Baby, I can guarantee
I'm gonna rise to it

You know I really can do it
I'm gonna rise to it
You know I really can do it
I'm gonna rise to it

I'm gonna rise to it
I'm gonna rise, I'm gonna rise
I'm gonna rise to it
I'm gonna rise to it
