Some ladies love me  
Some ladies don't  
But I know what you're gonna do  
Even when you say you won't

I know you want me  
You got desire  
Out of the frying pan  
Into the fire

You're drawn to the flame  
Your hands are tied  
You wanna take me, baby  
All up inside

You feel the hunger  
But it's much too much  
You can look baby  
Uh, uh, uh, but you just can't touch

This is Russian Roulette-One pull of the trigger  
Is all you're gonna get-The deck is loaded  
And I like what I see-You're gonna lose it all Eventually

You got me where you want me  
Go on, take a bite  
Open up, let your backbone slip  
Such a pretty sight

You try to talk  
Buth you just can't speak  
Your pulse is strong  
But your knees are weak

(repeat chourus)
