The party's over, you're in the corner  
You're all alone for the night  
And you pick up a phone, you want me to hold  
Well dry your eyes, it's alright, it's alright

See you, feel you in your dreams tonight  
See you, feel you in your dreams tonight, dreams  
tonight

When you're in the room, you're home too soon  
You can't get me out of your mind  
And you get in bed, you cover your head  
My letter to you is signed

I love you, you know I do  
But take me home tonight  
And think of me, I think of you  
Baby baby it's alright, it's alright, yeah

See you, feel you in your dreams tonight  
See you, feel you in your dreams tonight, dreams  
tonight

When you're in the room, you're home too soon  
You can't get me out of your mind  
When you get in bed, you cover your head  
My letter to you is signed and this is what I'm sayin'

See you, feel you in your dreams tonight  
See you, feel you in your dreams tonight, dreams  
tonight

See you, feel you in your dreams tonight  
See you, feel you in your dreams tonight, dreams  
tonight

See you, feel you in your dreams tonight  
See you, feel you in your dreams tonight, dreams  
tonight

See you, feel you in your dreams tonight  
See you
