I know it's around, I don't have any doubts about that night

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite

But I know it's around, I don't have any doubts about that night

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite,
outside

See you tonite, outside, see you tonite

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite,

outside

See you tonite, outside, see you tonite

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite,

outside

See you tonite, outside, see you tonite

I'll see you get it tonight, and if I can't I'll cry and cry
You won't see me without it and I'll see you tonite,

outside

See you tonite, outside, see you tonite
