I just can't pretend no more
I keep runnin' out of lies
Lovin' you is killin' me inside

Every time I find the words to end it
Something in your eyes won't let it

Shandi, tonight must last us forever
Forever we say goodnight and go home
But you know me very well and I know you
You can't tell me goodnight

We been holding on so tight
We're afraid to let it go
Shake it loose, we both could use the ride
Here's another mess I got myself in
And when you touch me you ain't helpin'

Shandi, tonight must last us forever
Forever we say goodnight and go home
But you know me very well and I know you
You can't tell me goodnight
Say goodnight when we should say goodbye, oo yeah

Shandi, tonight must last us forever and ever
Forever we say goodnight and go home
Shandi, Shandi, tonight must last us forever
