Put your hand in my pocket  
Grab onto my rocket  
Feels so good to see you Lucille  
Baby got to know  
Do do you want to go  
How you gonna make me feel  
I said "Go baby, you make me feel ah, ah, ah, ah yeah"  
Oh, baby, you make me feel ah, ah, ah, ah yeah"  
So take me any way you want me  
Just break me any way you can  
Take me any way you want me, now  
Make me feel like a man, yeah

Sittin' in the back  
Her head down in my lap  
The moonlight shinin' down on her hair  
The radio was playin'  
Her fingertips were strayin'  
Her mama didn't she was there, no

She said "Oh baby, you make me feel ah, ah, ah, ah  
yeah  
Oh, baby, you make me feel ah, ah, ah, ah yeah"  
So take me any way you want me  
Just break me any way you can  
Take me any way you want me, now  
Make me feel like a man  
Make me feel it, baby

Ahh, take me any way you want me  
Just break me any way you can  
Take me any way you want me, now  
Ah, ah, ah, ah yeah, take me baby  
Ah, ah, ah, ah

Take me, take me, take me, love me  
Take me, squeeze me, hug me, any way you can  
Take me any way you want me, now  
Ah, ah, ah, ah yeah, ah ah ah ah  
Take me, whoo, any way you want me  
Squeeze me, you can have it any way you can  
Take me, hold me baby, come on, now, come on, now

Ah, ah, ah, ah yeah  
Take me
