Hey man, gotta take a stand, so you think that you've
been had
I'm here to bet ya, street's gonna get ya, well two out of
three ain't bad
Hey man, it's gettin' out of hand, cross your heart and
hope to die
You got yours, and I got mine, I'm gonna get what's
comin' to ya

'Cause the street giveth and the street taketh away
Where there's no blind justice, no way

Hey man, don't you understand, you can run but you
can't hide
There ain't no life after death, so save your breath
(you're gonna)
Be a rock 'n roll suicide
Hey man, do you need a hand, but I ain't no blessing in
disguise

Feel the agony, and the ecstasy, it's gonna burn right
through ya

'Cause the street giveth and the street taketh away
Where there's no blind justice, no way

Life's too short, so help yourself, 'cause I don't walk on
water

'Cause the street giveth and the street taketh away
Where there's no blind justice, no way

'Cause the street giveth and the street taketh away
