Early morning, as she wakes from her sleep  
9 to 5 is the day that she'll keep  
Ties her hair up and her blouse buttoned tight  
Gets her work done as she waits for the night

All the people, tell me what would they say  
If they knew her, how she hides it away  
Locked inside, there's the start of a flame  
And the feelings that she never will tame

Ooh as she's walking around like a mystery  
Ooh there's a woman that nobody sees livin' inside

Thrills in the night, far from the light, passion taking  
over  
Prices she pays, all through the days, no one really  
knows her

In the evening when she takes to the street  
She goes hunting with a body in heat  
And desires she's kept hidden inside make her tingle  
And she knows why she lies

Ooh as she's walking around like a mystery  
Ooh there's a woman that nobody sees living inside

Thrills in the night, far from the light, passion taking  
over  
Prices she pays, all through the days, no one really  
knows her  
Thrills in the night, far from the light, passion taking  
over  
Prices she pays, all through the days, no one really  
knows her

See the stranger that she's pushing away  
As she dresses for the start of a day  
And desires she's kept hidden inside make her tingle  
Yeah she knows why she lies

Thrills in the night, far from the light, passion taking  
over

Prices she pays, all through the days, no one really  
knows her  
Thrills in the night, far from the light, passion taking  
over  
Prices she pays, all through the days, no one really  
knows her

Thrills in the night, far from the light, passion taking  
over  
Prices she pays, all through the days, no one really  
knows her
