Unreleased 1981

Strong desire takes control of me tonight  
I'm on fire, you know I'd sell my soul tonight

All I want is one more try  
I can't take any more  
It's killing me now  
But I still here it cry

And it sounds like thunder in my heart  
A feeling of hunger in my heart  
Sounds like thunder in my heart  
Sounds like thunder

No more waiting, you know I've waited for so long  
Strength is fading, but the drive is just so strong

No denying, try to strive  
I can't take any more  
I don't want to care  
But I still here it cry

And it sounds like thunder in my heart  
A feeling of hunger in my heart  
Sounds like thunder in my heart  
Sounds like thunder

Yes it does, till you let it go  
Did you still want more  
You want more, you want more

And it sounds like thunder in my heart  
A feeling of hunger in my heart  
Sounds like thunder in my heart  
Sounds like thunder

You know it sounds like thunder in my heart  
A feeling of hunger in my heart  
Sounds like thunder in my heart  
Sounds like thunder
