I didn't know just what to say
When you turned and you looked my way
It doesn't happen to me every day
Can we talk a while?

I didn't know just what to do
I couldn't seem to take my eyes off you
You know I wanted just to take you home
But that's not your style

And tomorrow
We're gonna fall in love, fall in love
Tomorrow
We're gonna fall in love, fall in love
Tomorrow, tomorrow

I didn't even know your name
Like a moth I was in your flame
I knew you wanted me to feel real good
By the way you smiled

You didn't have to say a word
I tried to tell you but I lost my nerve
You know I wanted just to slip away for a little while

And tomorrow
We're gonna fall in love, fall in love
Tomorrow
We're gonna fall in love, fall in love
Tomorrow, tomorrow

(We're gonna fall in love, fall in love, fall in love)
But tonight, when the feeling feels so right
(Fall in love with me)
We got all the love we need

I didn't know just what to say
This doesn't happen to me every day and that's not my
style

And tomorrow
We're gonna fall in love, fall in love

Tomorrow
We're gonna fall in love, fall in love
Tomorrow, tomorrow
Tomorrow, tomorrow

We're gonna fall in love, fall in love
(Tomorrow)
Fall in love, fall in love
(Tomorrow)
Fall in love, fall in love
(Tomorrow)
Fall in love, fall in love
(Tomorrow)

(We're gonna fall in love, fall in love, fall in love)
But tonight, when the feeling feels so right
(Fall in love with me)
We got all the love we need
