Everyone's thinkin' they're so hot tonite
But there's a fire in your eyes
Everybody wants you girl, but I want you more
Than any other guy

You got what I want, I got what you need
Fire below
So if you know it, show it
Don't let me go, woah

Turn on the night
I can't wait, can't wait any longer
Turn on the night
Yeah, I wanna feel this feeling get stronger

Take me in your arms, I'll take you into my heart
Let's bring this love to life
C'mon baby put your finger on the switch
Let's make some sparks ignite

Show me what you want, show me what you need
Fire below
C'mon and take me, shake me
Don't let me go, woah

Turn on the night
I can't wait, can't wait any longer
Turn on the night
Yeah, I wanna feel this feeling get stronger

Turn on the night
I can't wait, can't wait any longer
Turn on the night
Yeah, you know this feeling keeps getting stronger

Hey babe, you got what I want, I got what you need
Fire below
So if you know it, show it
Don't let me go, woah

Turn on the night
I can't wait, can't wait any longer

Turn on the night
Yeah, I wanna feel this feeling get stronger

Turn on the night
I can't wait, can't wait any longer
Turn on the night
Yeah, you know this feeling keeps getting stronger

Turn on the night
Turn on the night
Turn on the night
