Your blood's gettin' hot
No matter what you got
You can't stop the roll of the thunder
Yeah

You wanna take a shot?
So, gimme me all you got
Can't break the spell that I'm under
No

And the battle never ends
And the soldiers never die
And you don't back down
And you don't pretend when you look them in the eye

And it all comes down
To the WALL OF SOUND
Yeah it all comes down

When it all goes wrong
You gotta be strong
The rest of the world's gonna shatter
It doesn't matter

Let the floods go raging by
Let the sinners wash away
' Til the dark of man sees the ray of light
And begins another day

And it all comes down
To the WALL OF SOUND, ooh

Yeah

And the battle never ends
And the soldiers never die
And you don't back down
And you don't pretend when you look them in the eye

Yeah

And we all bow down
To the WALL OF SOUND
Yeah we all bow down
To the WALL OF SOUND

Bow down
Yeah bow down
Bow down
