Cry without tears  
See without sight  
Night without day  
And every day's black as the night

Fly without wings  
Feel without touch  
Touch without feel  
And everywhere nothing is real

I wanna see from within  
I wanna be where I've been  
I want a truth not a lie  
I wanna live 'fore I die

Life without death  
World without end  
Sleep without dreams  
And nothing is quite what it seems

I want something more than you'll know  
Follow myself and go where you can never go  
And I see though my eyes are closed

I wanna see from within  
(Cry without tears)  
I wanna be where I've been  
(See without sight)  
I want a truth not a lie  
(Night without day)  
I wanna live 'fore I die  
(And everywhere nothing is real)  
(Touch without feel and everywhere nothing is real)

Inside you without your blessing  
Inside me is me confessing  
Outside you is outside me  
And inside there is no guarantee, NO

I wanna see from within  
I wanna be where I've been  
I want a truth not a lie

I wanna live 'fore I die

I wanna see from within

(Life without death)

I wanna be where I've been

(World without end)

I want a truth not a lie

(Sleep without dreams)

I wanna live 'fore I die

(And nothing is quite what it seems)

I want something more than you'll know

Follow myself and go where you can never go

Cry without tears

Night without day
