You tell lies when you look at me, smile when you look away
Spin a web any fool can see, put your candy on display
It's a game of who needs who, who's on top, me or you
Pleasure and pain feel the same when the night is through

Girl you want me to cry, feel like I'm gonna die
Girl you want me to bleed, feel the thrill of my need
Girl you want me to bed, wish to hell I was dead
'Cos you love me to hate you, yeah you love me to hate you
Girl you love me to hate you and the more that I hate you I love you

You're like a cat on my hot tin roof, I love it when you scratch and bite
You got my heart in a hangman's noose, pull the rope and make it tight
Love's like a chain holdin' you to me, you're the lock baby I'm the key
Don't wanna walk 'cause we're caught in a fantasy

Girl you want me to cry, feel like I'm gonna die
Girl you want me to bleed, feel the thrill of my need
Girl you want me to bed, wish to hell I was dead
'Cos you love me to hate you, yeah you love me to hate you
Girl you love me to hate you and the more that I hate you I love you

It's a game of who needs who, who's on top, me or you
Pleasure and pain feel the same when the night is through

Girl you want me to cry, feel like I'm gonna die
Girl you want me to bleed, feel the thrill of my need
Girl you want me to cry, feel like I'm gonna die
Girl you want me to bed, wish to hell I was dead
'Cos you love me to hate you, yeah you love me to hate you
Girl you love me to hate you and the more that I hate

you I love you

'Cos you love me to hate you, yeah you love me to hate
you

Girl you love me to hate you and the more that I hate
you I love you

And the more that I hate you, I love you

And the more that I hate you I love you

Yeah and the more that I hate you, I love you

And the more that I hate you I love you

And the more that I hate you, I love you

And the more that I hate you I love you
