"Let's make up or brake up 'cause we've seen better days"

"Yeah they'll have to drag you kicking and screaming off the stage"

"Don't do me favors, don't show your face"

"Don't tell me what to play, it's not your place"

"The fans wanted us to play, we hear and we obey"

You wanted the best
And you got the best
Aah, Aah, Aah,
Aah, Aah, Aah

"Don't give me glances, don't give me sghs"

"Well then, don't give me sweet talk, Pete just testify"

"Hey, you live in fairy tales, you're just a fallin' star"

"Right, and who died and made you king, just who do you think you are?"

"Everything's gotten way out of hand , but your whis is our command

You wanted the best
And you got the best
Aah, Aah, Aah,
Aah, Aah, Aah

"Everyting's gotten way out of hand, but your whis is our command"

You wanted the best
And you got the best
Aah, Aah, Aah,
Aah, Aah, Aah
