Let's make up or break up
'cause we've seen better days
Yeah, they'll have to drag you
Kicking and screaming off the stage
Don't do me favors
Don't show your face
Don't tell me what to play
It's not your place

The fans wanted us to play
We hear and we obey

You wanted the best
And you got the best
Aah Aah Aah
Aah Aah Aah

Don't give me glances
Don't give me sights
Well then, don't give me
Sweet talk, Pete, just testify

Hey, you live in fairy tales
You're just a fallin' star
Right, and who died and made you king
Just who do you think you are?
Everything's gotten way out of hand
But your wish is our command

You wanted the best
And you got the best
Aah Aah Aah
Aah Aah Aah

Everything's gotten way out of hand
But your wish is our command

You wanted the best
And you got the best
Aah Aah Aah
Aah Aah Aah
