Make-Up or break up - 'cause we've seen better days
(Yeah) They'll have to drag you kickin' & screamin' off
the stage

Listen - don't do me favors - don't show your face
Don't tell me not to play 'cause it's not your place

The fans wanted this team play - We hear & we obey
You Wanted The Best & You Got The Best

Don't give me glances - don't give me lies
Don't give me sweet talk - the beat just testifies
Hey- you live in fairy tales - Your just a fallen star
(Right) Well, who died & made you king, just who do
you think you are?

Everything's gotten way out of hand - but your wish is
our command
You Wanted The Best & You Got The Best
