I was Born in Past Lives Said My doctor
He's a Smart Nice Man!
Never Have I seen or Climbed a Mountain
But I'm Sure I Have!

And Counting the Lies in those Headlines
Makes it Harder to Breath
Proving through Science and Love That
It's the Best way to be
Arms they are Reaching
Across Sea's

The Sun as it Shines Kind of Burns need Screen

I Will Die in this Life Says my Maker
So will all My Friends!
Never Have I seen or Climbed a Mountain
But I'm Sure I Have!

Counting the Lies in Those Headlines
Makes it Harder to Breath
And proving Through Science and Love That
I'm Your Child
Dreaming of Face on the Big Screen
In a Cheesy Movie
And Arms they are Reaching
Across Sea's

The Sun as it Shines Kind of Burns need Screen

And I'm Ready to Be
A Spark in those Headlines
Their Asking of me
Am I your Child
I cannot take it from you now
You've Been Dreaming of Me
I Will not take it from you
I'm on Your Side

Oh Now
I Will not take it from You Now
Cause your Dreaming of Me

I will not Take it from You
I'm on Your Side
How it Hurts To Know
That I Might
