The girls today in society  
Go for classical poetry  
So to win their hearts you must quote with ease  
Aeschylus and Euripides

But the poet of them all  
Who will start 'em simply ravin'  
Is the poet people call  
The Bard of Stratford-on-Avon

Brush up your Shakespeare  
Start quoting him now  
Brush up your Shakespeare  
And the women you will wow

Just declaim a few lines from 'Othella'  
And they think you're a heckuva fella  
If your blond won't respond when you flatter 'er  
Tell her what Tony told Cleopaterer

And if still, to be shocked, she pretends well  
Just remind her that 'All's Well That Ends Well'  
Brush up your Shakespeare  
And they'll all kowtow

Brush up your Shakespeare  
Start quoting him now  
Brush up your Shakespeare  
And the women you will wow

If your girl is a Washington Heights dream  
Treat the kid to 'A Midsummer Night Dream'  
If she fights when her clothes you are musing  
What are clothes? 'Much Ado About Nussing'

If she says your behavior is heinous  
Kick her right in the 'Coriolanus'  
Brush up your Shakespeare  
And they'll all kowtow

And they'll all kowtow  
Think style

And they'll all kowtow  
I [Incomprehensible]  
And they'll all kowtow[Incomprehensible]

Brush up your Shakespeare  
Start quoting him now  
Brush up your Shakespeare  
And the women you will wow

Brush up your Shakespeare  
And they'll all kowtow
