This is a toast to all the people listening
I hope it gets stuck in your head
So tap your feet and click, click, click your fingers
Let's make the rest of the world, care

I want a song that gets attention
This is the way it goes
So if you'll play it on your station
Do-do's and whoa-oh's, whoa-oh's

So hit the lights, and turn the record up, now
I hope you hear this in your sleep
Spin off the typical, I miss you, baby
Who would've thought, we were so deep

I want a song that gets attention
This is the way it goes
So if you'll play it on your station
(Do-do's and whoa-oh's)

We'll grab a drink, and kill our brain cells
Sing all the words we know
We're bringing back, the lovers music
(Do-do's and whoa-oh's)
Whoa-oh, whoa-oh, whoa-oh

I want a song that gets attention
This is the way it goes
So if you'll play it on your station
(Do-do's and whoa-oh's)

We'll grab a drink, and kill our brain cells
Sing all the words we know
We're bringing back the lovers music
(Do-do's and whoa-oh's)
Whoa-oh, whoa-oh, whoa-oh
