I've got a frustration with higher education,
The theory of creation is dumbing me down.
And yes, I've got an issue with the current situation,
Going on in the country whose name I can't pronounce.

Well, being negative is the best,
I'm feeling so happy that I'm depressed.
Give my love to my enemies,
I'm paranoid, but that's okay with me.

The earth is getting warmer, soon it will be a sauna,
And we will have to move our things to outer space.
Look at all the slaves, making jackets out of suede,
The corporations run the world, and I can't complain.

Well, being negative is the best,
I'm feeling so happy that I'm depressed.
Give my love to my enemies,
I'm paranoid, but that's okay with me.

Wooh!

La, La, La, La, La, La, La, La, La, La, La.
La, La, La, La, La, La, La, La.

La, La, La, La, La, La, La, La, La, La, La.
La, La, La, La, La, La, La, La.

Incurable diseases, and followers of Jesus,
Are trying to end contraception, are they insane?
The sexist and the racists are loving all the hate,
And the homophobes, homophobes, homophobes are
secretly gay.

Well, being negative is the best,
I'm feeling so happy that I'm depressed.
Give my love to my enemies,
I'm paranoid, but that's okay with me.

Well, being negative is the best,
I'm feeling so damn happy that I'm depressed.
Give my love to my enemies,

I'm paranoid, but that's okay with me.

That's okay with me,

(La, La, La, La, La, La, La, La, La, La, La)

It's okay.

(La, La, La, La, La, La, La, La)

Yeah, that's okay,

(La, La, La, La, La, La, La, La, La, La, La)

That's okay.

(La, La, La, La, La, La, La)
