Everything seems so pointless in your life
You say 'why bother living if you're gonna die?'
'What's the point of getting up I you're going
Down down down down down down down down

Let me try and give you some of my advice
I know I'm young but maybe I could she'd some light
You're never gonna leave this place if you're spinning
Round round round round round

Nows all we got (whoa-oh, whoa-oh)
We're losing the plot (whoa-oh, whoa-oh)
So just live it up (whoa-oh, whoa-oh)
And don't ever stop, no

What better time than now to see it?
What better time than now?
We might no be around to dream it
We might not be around

Imagine looking back at all this things you did
Do you wann end up regretting all of it?
I don't wanna see you medicate til you
Drown drown drown drown drown

Nows all we got (whoa-oh, whoa-oh)
We're losing the plot (whoa-oh, whoa-oh)
So just live it up (whoa-oh, whoa-oh)
And don't ever stop, no, no

What better time than now to see it?
What better time than now?
We might no be around to dream it
We might not be around

Nows all we got (whoa-oh, whoa-oh)
We're losing the plot (whoa-oh, whoa-oh)
So just live it up (whoa-oh, whoa-oh)
And don't ever stop, no

What better time than now to see it?
What better time than now?

We might no be around to dream it
We might not be around
