You're colourful and different
I bet you taste nice
I'll add the glaze and wait until your tenderized

Tell me what you did, tell me what you did on the
weekend, darling
I'll show you what I got, show you what I got up my
sleeve
Well things are heating up, things are heating up in the
kitchen, honey
I'm gonna cut you up, I'm gonna cut you up like meat

Tell me can you keep a secret
Don't tell a soul, uh-oh
Even if it costs me my freedom
I'll eat you whole

Tell me what you did, tell me what you did on the
weekend, darling
I'll show you what I got, show you what I got up my
sleeve
Well things are heating up, things are heating up in the
kitchen, honey
I'm gonna cut you up, I'm gonna cut you up like meat

Tell me what you did, tell me what you did on the
weekend, darling
I'll show you what I got, show you what I got up my
sleeve
Well things are heating up, things are heating up in the
kitchen, honey
I'm gonna cut you up, I'm gonna cut you up like meat
